

Enjoy is on a Mission...

Enjoy is on a mission to do our part to help those in need. We are proud fund-raisers and avid supporters for battered women's shelters. The number of women having to rely on these shelters is growing at an alarming rate. They are often forced to flee their abusive spouses in the middle of the night with nothing but their children. These shelters help to relocate the women safely. The shelters rely on donations from the public to provide these women and children with what they need to move forward with their lives.

Another cause near and dear to Enjoy is cancer research fund-raising. Team Enjoy participates in the yearly Cancer Walk For a Cure. Cancer is one disease that seems to affect every family sooner or later.
